This Sunday January 31: Orchestra starts back at 2:30 PM

Student Choir Rewards Trip is coming up in four weeks (Feb. 26-27). For those who got in their six rehearsals last fall, we will be heading to Dallas and, hopefully, warmer weather for a Friday night stay in a motel and a little fun the next day before heading back late Saturday night. I am not sure of the total cost of the trip yet, but I do need to know who is going so I can secure Motel Reservations. A \$25 deposit this Sunday will work for me. Parents: I will be sending out a letter when I get the details worked out ... in the meantime, you can call me if you have questions.

Student Choir Tour is tentatively scheduled for April 23--25 and the Home Concert on Sunday evening May 2. If there is a schedule problem with those dates, students or parents, let me know quickly because I am already calling churches to line up the Tour.

Children's Choir auditions for "We Like Sheep" will be next Tuesday and Thursday, February 2 & 4, beginning at 4:00 PM until later each evening. There is a sign-up sheet by the Choir Room downstairs and script excerpts available for the auditions. . Parents, encourage your children to try out for a speaking part, maybe even a solo. They will enjoy it so much more if they are really involved! For more information, contact Jane Overcash or Stephanie Belcher. If you are not able to get your child here for auditions on either day, call and we will figure out a way to work them in. The musical will be April 10 & 11. Mark it on your calendar ... it will be a good one!

Preschool Choir starts up in a couple of weeks, on February 21, at 6 PM every Sunday. For more information, call Regan Martin.

BELIZE

We had a great week in Belize! I'm thankful for the prayer support many of you afforded us. We had good fellowship with the churches at San Roman and Santa Rosa. It was a special privilege to take part in the dedication service for the educational building at San Roman.

The construction of the education building was better than half way complete at the end of the week. I trust we will see it complete in the near future or next year.

It was good to hear from churches in other areas of Belize. Most all of them gave good reports.

It was a special joy to be with our team. Each one worked hard and maintained a good spirit.

Bro. Jim

BELIZE—I want to say a big thank you all for your prayers while our team was gone to Belize. We had such an amazing time together. I think I speak for each group member when I say that it was one of the best mission trips I've ever had the opportunity to be a part of. We grew so close that it was hard to part ways once we returned back here to the states. There is so much need down south for men to be the spiritual leaders of their households. The churches are filled with women and children, but very few men. We need to be in prayer as a church that God would raise up some men in the villages of Santa Rosa and San Roman to lead not only their families, but the churches as well. I am so thankful for the ministry our church has had in Belize over the past 25 years. So much has been accomplished, but the work is far from over. Pray for John and Darlene Glasgow as they continue on as missionaries there in San Roman. The work they are doing is tough, but definitely worthwhile. Again, thank you for all your prayers and support. God definitely did a work through us this past week.

WINTER JAM 2010—Winter Jam is returning once again to Verizon Arena in North Little Rock this year. The date is Friday, March 19th. The show will begin at 7:00 PM but we will be leaving here from the church parking lot at approximately 5:15 PM in order to participate in all the festivities. The tickets will be \$10.00 and will be purchased at the door. You will be responsible for buying your own ticket. Third Day, Newsboys, and MIKESCHAIR are just some of the bands that will be playing this year. It should be a wonderful time, so don't miss out!

I also want to add how blessed I was this past Sunday in our worship services. Hearing Coach Van Paschal share his testimony, along with the wonderful music, truly uplifted my soul. I feel like the Lord has big plans in store for us as church throughout the year. However, we need to be faithful to be in the word daily, and on our knees regularly for the lost souls that surround us here in our community. It's my hope and prayer that families will begin to read the word together at least once a week in order that they might grow closer to the Lord and to one another. I am so excited about all that is to come in the year 2010!

Jesus over everything,
Bro. Michael
