STAR POLISHERS SUNDAY

Mark your calendar now for our Children's Choir presentation of "We Like Sheep" April 10 & 11 ... you're gonna love it!

This Sunday night, March 7, after the evening service, we want to try to assign Star Polishers to each of our Children's Choir members. For five weeks, will you pray daily for one child and make personal contact with him/her each week? On the weekend of their program, meet and pray with your "star" before their presentation. Please, after church this Sunday evening, stay long enough to be assigned to one of our children and make an investment in their life!

Our Children will be singing soon during a couple of our Sunday evening services. Parents: make sure your child is here for every rehearsal. Especially during the next couple of weeks of Spring Breaks, make your out-of-town plans so that you can get your child back for their practices.

STUDENT CHOIR LOCK-IN AND AUDITIONS

Our students are preparing for Choir Tour on April 23-25 and their Home Concert on May 2. Our first Lock-In is this Friday March 5 from 6:00 pm until midnight. We will work on their songs, eat and have a lot of fun making videos. Parents, make sure your Choir member is here.

Also, we have rescheduled our drama and solo auditions to next Monday and Thursday March 8 & 11. The sign-up sheet by the Choir Room door will be for time slots that are at 10-minute intervals from 5:00 pm until 6:30 pm both days. We will go over all the available drama parts and solos this Sunday in Choir. I would love for every one of our students to have a part, so parents, please encourage yours to try out!

Last Sunday our Choir sang "God of This City." It is an incredible worship song recently recorded by Chris Tomlin, and being done in churches all over the world. Several have asked to see the Brinkley video shown during the song. I uploaded it to our website under the Ministries tab, Music Ministry section. But the better video is the one of how it came to be written. Aaron Boyd of the Belfast band Bluetree describes it at:

youtube.com/watch?v=kXh_tgjnYJw or Louie Giglio's version: youtube.com/watch?v=ClODquEcYs8

Awesome story of how God birthed a powerful song!

Greater things are yet to come, and greater things are still to be done in this city! Bro. Daniel

UNITED—We are still going through the Erwin McManus study, "UPRISING" on Wednesday nights. It has been fantastic so far. Last week we talked about having a generous heart, and this week we will be discussing perseverance. I have been amazed at the turnout of young people each week. We are averaging over 30 every Wednesday night and they are such an amazing group to work with. I am so proud of the youth in our church. I can't tell you how blessed I am to be able to minister to such outstanding teenagers. Also, the help I have received from my youth workers has been nothing short of phenomenal. You all are such a blessing to me!

LR Half-Marathon—Be praying for Rachel Humble, Kayla Roy, and myself as we participate in the 2010 Little Rock Half-Marathon this upcoming weekend. It is 13.1 miles and while we have been training, each of us are still a little uptight about race day. It has been a blessing to me to have trained with two awesome teenagers. Throughout our training we have been going through a devotional book and it always seems to have the right words to say after one of our runs. I hope that next year, we will have even more participants join us!

FALLS CREEK—Many of you have been asking about Falls Creek sign-up. I have registered us for the 3rd week of camp, June 21st—26th. We will have a sign up form as soon as I receive the packet that should be here within the next week. I am looking forward to another week there in Oklahoma!

Senior Adult Convention—Due to the Jubilee Conference in Branson being booked up, we will be attending Lifeway's Senior Adult Convention. It will be April 11th-14th in Branson, MO at the Tri-Lakes Center. The group, "Forever Praise" will be singing and there will be several fantastic speakers. I should have more information about this trip within the next week. If you have any questions (that I might be able to answer) please don't hesitate to call the church office.

As I was listening to a sermon preached by the late Dr. Adrian Rogers last week, I was reminded of the fact that we should all take a lesson from Barnabas. He was so devoted to Jesus Christ and his ministry that, despite all the chaos that ensued around him, he was constantly encouraging others. This week, look for an opportunity to encourage someone. With so much negativity abounding in our culture, it's essential that we as Christians be uplifting and encouraging. What a world we would share if we all cared about the sake of sharing the gospel of Jesus Christ the way Barnabas did.

Jesus Over Everything,
Bro. Michael
