

MUSIC MINISTRY

Continue to pray for our children and adults at JoyWorks this week, as well as our youth and adults at Fall's Creek. Remember July 5 is the deadline for our youth to sign up for PraiseWorks (July 20-24 at OBU).

I look forward to our Orchestra playing again on July 5 for our Patriotic Service. Worship Choir is going strong, but we plan to take a few weeks off before the fall schedule starts up.

Though it is good to take a break from the routine, God never expects us to take a break from Him! We still meet twice on Sundays for worship, in case you've forgotten!

Our faithfulness is to Him, not to robotic church attendance, but as we love and serve Him we will be faithful to His Bride. I've heard a lot of reasons lately why Sunday came and went and some of His children were not in His house. Good reasons ... urgent stuff to do!

Just remember: the important is seldom urgent and the urgent is seldom important. There will always be stuff to do, and before you know it weeks and months have gone by, and all the while the important things in life just sit there quietly in the corner waiting for you to notice them. Things like our walk with God, our growing closer to Him through His Word and our worship, our influence on other people's lives, and teaching our children — by example — what is really important. The legacy you leave behind will one day reveal to everyone what your priorities really were!

Dads: it is up to us to lead our families. What better way to make a fresh start than to have your family in church for Father's Day? ... with a renewed commitment to serve our mighty God until He takes us home!

*So, take me as You find me, all my fears and failures.
Fill my life again. I give my life to follow,
everything I believe in; now I surrender.*

My God is Mighty to Save,
Bro. Daniel
